Modi pitches for free, rules-based and open Indo-Pacific region

PRESS TRUST OF INDIA
New Delhi, November 12

PRIME MINISTER NARENDRA Modi on Thursday pitched for convergence of approach between India and the 10-nation ASEAN in ensuring a free, open, inclusive and rules-based Indo-Pacific, a region that has witnessed renewed global focus in view of China's expansionist behaviour.

At a virtual summit, India and the ASEAN also deliberated on the situation in the South China Sea and affirmed the importance of maintaining and promoting peace, stability, safety and security in the region besides ensuring freedom of navigation and overflight, the ministry of external affairs (MEA) said.

The summit also welcomed the adoption of a new ASEAN-India Plan of Action for 2021-2025 to boost overall cooperation in various areas.

In the summit, Prime Minister Modi announced a contribution of \$1 million to Covid-19 ASEAN Response Fund and stressed on leveraging strong ties between the two sides in the battle against the pandemic.

In the previous ASEAN-India summit in Bangkok last year, Modi had proposed a new framework called 'Indo-Pacific Ocean's Initiative' to create a safe and secure maritime domain in the Indo-Pacific, indicating India's readiness to play a bigger role in the region.

In his address, Modi also underscored the importance of greater physical and digital connectivity between ASEAN and India and reiterated India's offer of \$1 billion Line of Credit to support ASEAN connectivity, Secretary (East) in the MEA Riva Ganguly Das said at an online media briefing about the summit.

The summit took place amid China's aggressive behaviour in the disputed South China Sea, Indo-

Prime Minister Narendra Modi

Pacific region as well as in eastern Ladakh. A number of ASEAN countries have territorial disputes with China in the South China Sea.

The secretary said the discussions also covered regional and international issues of common interest and concern including South China Sea and terrorism.

"Both sides noted the importance of promoting a rules-based order in the region including through upholding adherence to international law, especially the UNCLOS (United Nations Convention on the Law of the Sea).

"The leaders affirmed the importance of maintaining and promoting peace, stability, safety and security in the South China Sea in particular freedom of navigation and overflight," she said.

"There is ample closeness between India's 'Indo Pacific Oceans Initiative' and ASEAN's 'Outlook on Indo Pacific'. We firmly believe that a cohesive and responsive ASEAN is essential for security and growth for all in the region," Modi said in his opening remarks.

Modi, Biden will speak at 'mutually convenient time', ties have bipartisan support in US: MEA

PRIME MINISTER NARENDRA Modi and United States president-elect Joe Biden will speak with each other in due course at a mutually convenient time, the ministry of external affairs said on Thursday and asserted that India-US ties enjoy bipartisan support in America.

The MEA's assertion comes days after Biden defeated incumbent President Donald Trump in a bitterly-fought presidential election that attracted a record number of Americans to cast their votes.

MEA spokesperson Anurag Srivastava said the prime

minister had congratulated US president-elect Biden through a tweet and had also appreciated the former American vice president's contribution to strengthening India-US relations.

Prime Minister Modi had also conveyed that he looks forward to working with him to take India-US relations to greater heights, Srivastava said at an online media briefing.

Asked when will the two leaders speak with each other, he said it will happen in "due course at a mutually convenient time".

India-China border standoff in eastern Ladakh likely to be resolved peacefully soon: ITBP chief

NEELABH SRIVASTAVA
New Delhi, November 12

THE BORDER STANDOFF

between India and China in eastern Ladakh is expected to be resolved peacefully "very shortly", ITBP chief SS Deswal has said, adding that the infrastructure along the Line of Actual Control (LAC) is also being ramped up at a rapid pace.

Talking to PTI during a wide-ranging interview, the director general of the Indo-Tibetan Border Police (ITBP) said his troops have been provided with special winter clothing and nutritious food as they brave the severe

chill in eastern Ladakh where the armies of India and China are locked in a tense standoff for over six months.

Asked about the current military standoff with China in eastern Ladakh, Deswal said "strains in bilateral relations are already evident but we are confident these will be sorted out peacefully very shortly."

Authoritative sources on Wednesday said India and China have broadly agreed on a three-step process on disengagement of troops and withdrawal of weaponry from all major friction points in a time-bound manner.
